Profile

Creative and results-driven Front-end Developer with 1.6 years of experience building responsive, user-friendly, and high-performance web interfaces. Adept at turning design mockups into pixel-perfect, accessible pages using HTML, CSS, JavaScript, and modern frameworks like React.js and AngularJS. Strong in team-oriented collaboration, proactive communication, and problem-solving. Skilled in working closely with design and back-end teams to deliver seamless, engaging digital experiences. Passionate about continuous learning, optimizing performance, and crafting clean, maintainable code that brings creative ideas to life.
